

iAccelerate and our residents are committed to The United Nations Sustainable Development Goals. The Sustainable Development Goals (SDGs) are a bold universal agreement to end poverty and all its dimensions and craft an equal, just and secure world – for people, planet and prosperity. Throughout our Program entrepreneurs are encouraged to implement SDGs across their business.

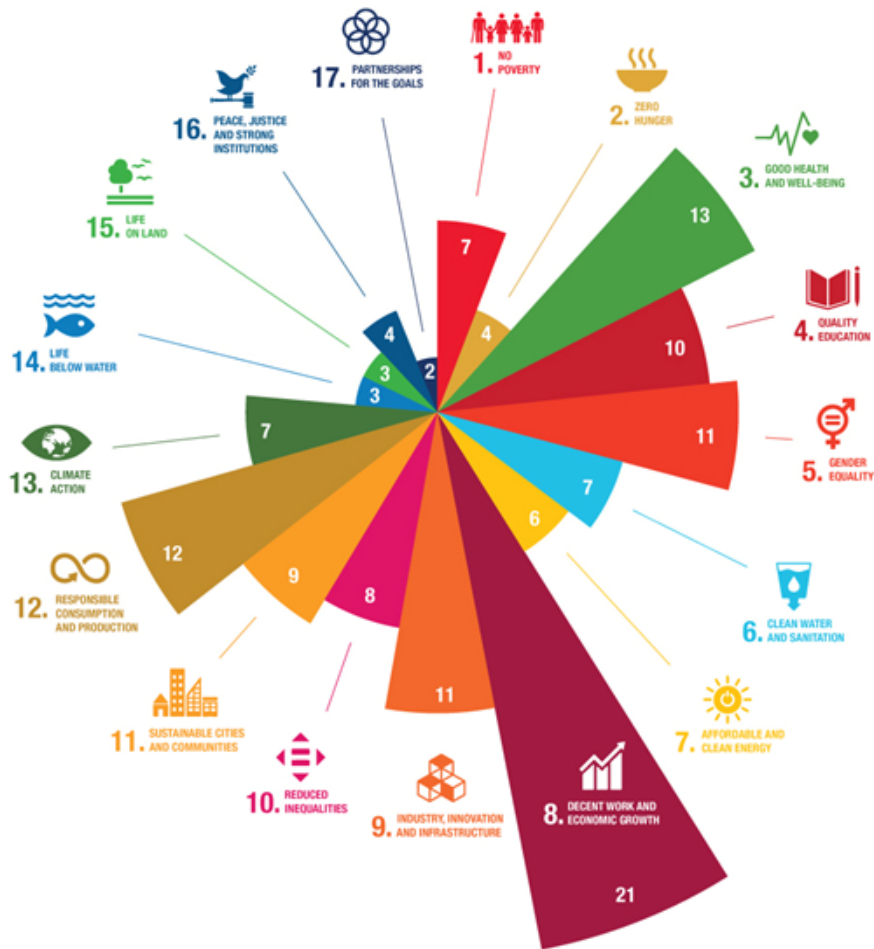

## Empowering businesses to solve the world’s biggest problems.

Introduced in 2020, this is our first report on UN SDGs being addressed by our resident companies.

Disclaimer: Data for the iAccelerate UNSDGs 2020 Report has been compiled from an opt-in survey sent to each of the current iAccelerate resident companies. 63 respondents completed the 2020 survey. 39 iAccelerate companies indicated they have launched a product or service to market out of 63 surveyed. The following data is specifically looking at the 39 companies who have launched a product or service to market.

#### Number of companies by UN SDG

All 17 UN SDGs are being addressed by iAccelerate resident companies. iAccelerate companies (with products already launched) are paying the most attention to the following SDGs: 3. Good Health & Wellbeing, 4. Quality Education, 5. Gender Equality, 8. Decent Work & Economic Growth, 9. Industry, Innovation & Infrastructure, 12. Responsible Consumption & Production.
